

# To prevent SHADY COVE SEWER OWNERSHIP

Mayor Sanderson used resolution 17-12 to prevent a council member from placing the proposed ordinance (reverse side) on the agenda for September 20 even to be discussed. Why do they NOT want you to know about the large surplus ( over \$300,000.) this budget year in the sewer fund?

Two years ago, the sewer fund was raided of \$200,000. Through “money laundering tactics”, it was transferred several times to end up going to a PRIVATE water company for items the CITY can NOT use. Where is this year's surplus going? Additional money from other funds have been “transferred” around in what looks to be an attempt to “hide” for unknown purposes.

NOW you are being asked to “give” the CITY OWNED sewer project to Rogue Valley Sewer Services (RVSS). You will VOTE on that question November 6 this year? How will you VOTE ?

## THE VOTING CHOICE IS;

YES RVSS will charge (they say) \$44. per month (for how long?)

NO Shady Cove could charge \$30. per month or less (until the citizens change it).

As a citizen of Shady Cove, you will have NOTHING to say about the sewer charges in the future IF you GIVE the system to anyone.

PLEASE VOTE AND BE HEARD..

We, the under signed, support this proposal.
